

# Atlantica Awarded Terra Carta Seal

November 3, 2021 – Atlantica Sustainable Infrastructure plc (NASDAQ: AY) (“Atlantica”, the “Company”), announced today that it has been selected amongst the inaugural recipients of the Terra Carta Seal, launched by His Royal Highness The Prince of Wales as part of the Sustainable Markets Initiative (SMI).

The inaugural 2021 Terra Carta Seal, announced in Glasgow during the 26<sup>th</sup> United Nations Climate Change Conference of the Parties (COP26), recognizes global companies that demonstrate commitment to, and momentum towards, creating genuinely sustainable markets. It is awarded to companies whose ambitions are aligned with those of the Terra Carta – a recovery plan centered on Nature, People and Planet and launched in January 2021.

The Terra Carta Seal has been awarded to 45 companies – all leaders within their industries – who have set out credible transition roadmaps that are underpinned by globally recognized, scientific metrics to significantly reduce GHG emissions.

His Royal Highness The Prince of Wales, said: “The Terra Carta Seal recognizes those organizations which have made a serious commitment to a future that is much more sustainable, and puts Nature, People and the Planet at the heart of the economy. We all need to make changes if we are to preserve the planet for our children and grandchildren and these businesses have pledged to make it easier for us all to do so.”

Santiago Seage, Atlantica’s CEO, said: “We are very proud to be among the first companies to receive the Terra Carta Seal”. “At Atlantica, we intend to continue to play an important role in the solution to climate change and our long-term strategy reflects this” he added.
